

Faces of Freedom - Active Duty Service Members

We have started a wall of Active Duty Service Members outside our Classroom. We will be adding more as they become active in any branch of the service. We are showing our appreciation for these special veterans. You are welcome to stop by and see our Faces of Freedom wall. These are the warriors who stand between us and any threat to our way of life. They are the Faces of Freedom, the veterans who served at home and abroad, in peacetime and war. For some, the cost to their physical and mental health was immense.

These service members serve not only for our country but also to make a difference.

Thank you for your service. We truly appreciate all of you!
